CIRCULAR

Dear Students,

Warm Greetings from Department of Computer Science & Engineering, S.R.K.R. Engineering College (Autonomous), China Amiram, Bhimavaram-534204, Andhra Pradesh, India.

It is our great pleasure to inform you that the A Two Day Workshop on “Role of Python in Data Science” is being organised by the Department of Computer Science & Engineering during 11th & 12th March, 2022 at S.R.K.R. Engineering College, Bhimavaram.

Contents to be covered:

Date	Topics to be Covered
11-03-2022	Need of Data Science, Recent Trends in Data Science, Recent Challenges in Data Science
12-03-2022	Role of Python in Data Science

Head of the Department

**Head of the Department
Computer Science & Engineering
S.R.K.R. Engineering College (A)
BHIMAVARAM-534 204, A.P., INDIA.**

C.c.to:

All the Faculty & Students,
Notice Board,

SAGI RAMA KRISHNAM RAJU ENGINEERING COLLEGE(A)
DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

A Two-Day Workshop on
“Role of Python in Data Science”

Name of Event	“Role of Python in Data Science”
Type of Event:	Workshop
Event start date	11 th March 2022
Event End date	12 th March 2022
Event coordinators	R. Shiva Shankar & L V Srinivas
Event Coordinators Mobile number	9985230319 & 9704744996
Department Organized	CSE
Collaboration/Association	CSE
Description of the event	To help the participants to familiarize with Python Programming language and data analysis. To train the participants in accessing data from various domains. To develop confidence as independent Python Programmer. and data analyst
Banner & Brochure	Annexure-I
Participants attended sheet	Annexure-II
Event Pictures & Sample Certificate	Annexure-III

SAGI RAMA KRISHNAM RAJU ENGINEERING COLLEGE(A) DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

A Two-Day Workshop on “Role of Python in Data Science”

About SRKR Engineering college

Sagi Rama Krishnam Raju Engineering College is a 40-year-old institution established in 1980. S R K R Engineering College was established with a mission to develop the college into a center of excellence in the field of technical education, capable of training students as sound professionals to cater to the needs of the society. The college is offering Six B.Tech. Programmes, Six M.Tech. Programmes and Seven Ph.D. Programmes with a total strength of more than 6500 students. This is an autonomous institution, affiliated to Jawaharlal Nehru Technological University Kakinada (JNTUK), approved by AICTE New Delhi, accredited by National Board of Accreditation (NBA), accredited with 'A' grade by NACC with CGPA of 3.60/400 scale and NIRF ranked. The college is recognized as Scientific and Industrial Research Organization (SIROs), recognized as Business Incubation Center (MSME), secured the status of 2(f) and 12(B) of UGC in 1988, selected for financial support under FIST Program of DST, New Delhi; selected under Unnat Bharat Abhiyan (UBA) of MHRD, Govt. of India. College has 64 MoUs with National and International Universities/ Industries / Organizations for staff and students mobility and training programs

About the Department

Department of Computer Science and Engineering was established in the year 1991. CSE department offers B.Tech. (CSE), M.Tech. (CST) and Ph.D. programmes. The department was recognised as research centre by JNTUK who allocates research scholars to guides recognised by the university. The department has all the necessary infrastructure, highly qualified and experienced faculty for a better teaching learning experience to students. The courses offered in the department meet the requirements of both industry and research. The faculty members are collaborating with institutions like Bennett University, Netenrich- Hyderabad, TCS Ion and Opsramp Inc. for research and consultancy. The projects worth Rs. 1.68 crores are either completed or ongoing which are funded by DST, AICTE and UGC, international funding agencies and sponsored by college also. The department attracts high quality students. The department has impressive placement record with 327 placements with highest package of Rs. 8 lakhs per annum. 6th IEEE Advanced Computing Conference was hosted by the department of CSE in 2016 which attracted 1160 papers for review. The department celebrated its Silver jubilee in the year 2016.

Assistant Professor, Dept. of CSE

About the Workshop

Objective

- 1.To help the participants to familiarize with Python Programming language and data analysis.
- 2.To train the participants in accessing data from various domains.
- 3.To develop confidence as independent Python Programmer, and data analyst

Why Python?

Easy to use, open source and versatile programming language specially popular among those learning programming for the first time. It is portable and cross platform It is concise and easy to read, and can be used for a variety of industry needs including web development, data analytics, core software development and a wide range of scientific and mathematical applications. Python also has numerous libraries for data manipulation and analysis as well as a very active development community that continually updates and creates new packages. It has been adopted by a wide variety of industries and applications including data science, machine learning, data analytics, predictive analytics, business intelligence and web analytics.

Who Should Attend?

B.Tech ,M.Tech students, Research Scholars

Registration

No registration fees.

Registration Deadline: 08-03-2022.

Registration will be on first-come-first-serve basis until the maximum intake is met.

Certificates will be given to all the eligible participants who will attend all the sessions.
