About SRKR Engineering College

Sagi Rama KrishnamRaju Engineering College (SRKR), established in 1980, is a self financed academic institution of co-education striving to provide high quality technical education to engineering aspirants. Over the years, the college has established itself as a premier institution imparting technical education of a very high standard leading to the 11 undergraduate programmes, 6 post graduate and 8 Ph.D. programmes.

S.R.K.R. engineering college was established with a mission to develop the institution into a world-class centre of excellence in the field of technical education that fosters research and essentials of employability

Brief Profile of the Department of CSE

Department of Computer Science and Engineering, was established in the year 1991 with B.Tech. (CSE) program and an intake of 40. It has grown by leaps and bounds over the last three decades with intake increased to 300 by 2016. It has started M.Tech.(CST) in the year 2006 with an take of 18. The department was recognised as research centre by Jawaharlal Nehru Technological University Kakinada(JNTUK). The department has all the necessary infrastructure, highly qualified and experienced faculty for a better teaching learning experience to students. The courses offered in the department meet the requirements of both industry and research. Department of CSE is accredited thrice by NBA. The department takes pride of its graduating students and many of whom are leaders in academia, industry, government and a few are highly successful entrepreneurs
