ABOUT S.R.K.R ENGINEERING COLLEGE

Sagi Rama Krishnam Raju Engineering College, established in 1980, is a self-financed academic institution of coeducation striving to provide a high quality technical education to engineering aspirants. The president of the institution Sri. S. Prasada Raju carries forward the vision of his father Late Sri Sagi Rama Krishnam Raju, a philanthropist, driving the institution on the academic path of excellence. The college offers clusters of elegant and capacious buildings with state-of-the-art laboratories, class rooms, seminar halls and other amenities coupled with eco-friendly ambience on the campus for efficacious pedagogical practices. S.R.K.R. Engineering College was established with a mission to develop the institution into a world-class centre of excellence in the field of technical education that fosters research and essentials of employability and strives for preeminence amongst the premier institutions with high commitment to the socio-ecological well-being of the nation. Permanently Affiliated to JNTUK, Kakinada, Approved by AICTE, New Delhi, Accredited with 'A' Grade by NAAC with CGPA of 3.60/4.00 scale. Offers 6 UG Courses, 6 PG Courses and 7 Ph.D. Programs.

ABOUT DEPARTMENT

The Department of Information Technology (IT) was established in the year 1999 with an intake of 60 in B.Tech (IT) and later increased to 180. The Department is now offering UG (B.Tech), PG (M.Tech.-IT) and Ph.D. programs. The department has made mile stones in promoting as centre of excellence by adopting innovative methods for Teaching Learning and Research in the diversified fields of Information Technology. The IT department is equipped with spacious classrooms, air-conditioned seminar hall, e-classrooms, library and well-equipped laboratories. The department has dedicated fully air-conditioned computer labs all in a functional network environment. The department offers free high-speed Internet facility to students and faculty for their labs and research work. The department is run by well qualified and experienced faculty & supporting staff.

The interested individuals may register on the first come first serve basis. Since, this is open for all Indian participants; the seats are limited only. Participants will get E-certificate upon completion of the course.

Registration Fee:

- Faculty, Research Scholars and PG students:500/-(Five Hundred Rupees only).
- Industry Professionals:1000/-(Thousand Rupees only).

Course Objectives:

- To upgrade the conceptual and Technical Skills of the Faculty in Data science, Machine Learning and Deep Learning.
- To explore the research opportunities in Data Science, Machine Learning & Deep Learning.
- Research oriented problem solving in Data Science and Machine Learning using software tools like Python.

STC Overview: This Short Term Course (STC) aims to update knowledge on the current trends and future aspects of Data Science and Machine Learning (DSML).

Expected Outcomes

- At the end of STC, participants will be able to
- Understand Conceptual and Implementation knowledge in DS, ML & DL
 - Faculty & Research scholars can identify research problems that helps to implement real world applications using Data Science & Machine Learning.

Resource Persons: The Sessions will be handled by the experts From IITs / NITs / Central University and Professor from U. S. Universities.

Registration: The Programme is open to all Faculty / Research Scholars / PG Students / Industry Professionals.
