MY PROFILE:

Joined Indian Air Force (Bangalore) as combatant member in the year 1983 (Wireless Communication Stream) at the age of 19. In due course of time, became Non-Commissioned Officer (Technical), worked with different creeds of people, faced tough situations, travelled all over India, acquired additional educational qualifications (Diploma in Electronics & Radio Communications from CTI-Bengaluru; Post Graduation from Osmania University-Hyderabad, M.Phil from North Bengal University-Siliguri, PGDMM from IGNOU- New Delhi and took voluntary retirement after serving for 20 years.

Before Joining SRKR Engineering College, Bhimavaram, AP as a placement Officer, served at Geethanjali College of Engineering & Technology, Hyderabad as Training & Placement Officer, and Vignan Group, Hyderabad as Head-Corporate Relations. Immediately after my voluntary retirement from IAF, I served in Telecom service providers like Aster Teleservices-Hyderabad, I Comm Tele Ltd- Hyderabad and ITIL-Hyderabad in different designations from Project prime to Deputy manager to Manager in the field of Operations and Maintenance of Telecom Cell sites of various reputed clients for almost six years. The clients whom I was involved with were Vodaphone, Aircel, BSNL, Airtel, Idea, Tata.

After having shifted my profession as Training & Placement Officer in educational institutions, I could develop good contact with most of the companies irrespective of their levels. Also learnt best practices which is needed for any placement & training for the budding engineers.
