STEPS FOR ACTIVATING AUTO UPDATES OF SERVER FILES TO CLIENT FILES

1. The server will have 3 folders

a. BEES CAMPUS RUN

This is the BEES running folder of BeeS Campus Soft. If you want to run the BeeS Campus Soft software in server, the shortcut of the software should be given to desktop and run from there.

b. BEES CAMPUS SOFT

This is the shared folder used to keep the latest updates of the software in the server. The latest details will be updated to the clients from this folder. Don'ts: Don't run the BeeS Campus Soft.exe from this folder.

c. BEES CAMPUS SETUPS

This folder is used to keep the setup files to be installed in the clients

- a) CommonDLLSetup: This setup must be done in the client to run the BeeS Campus Soft software.
- b) CrystalReports: This is barcode integration setup which is to be installed the systems wherever the receipts, challans, id cards etc. are printed.
- c) Free3of9: In this folder there are 2 barcode fonts which is to be copied t o c:\windows\fonts, for displaying the barcode on the printed format.

2. Update the latest exe to client.

In Start-Run-> type <u>\\bees\d\$</u>. Then the system will ask the username and password. Check 'Remember Password', give username and password and connect to the server. Copy the exe from 'BEES CAMPUS SOFT' folder and copy to the local system d:\bees campus soft. Install 'CommonDLLSetup' from the 'BEES CAMPUS SETUPS' folder in the server. Now you can run the BeeS Software and it will update all the latest updates from the server to the client.

INTRODUCTION TO I-CAMPUS

Fed up with struggling with a system, which seems to add to your workload, which doesn't work the way your colleges does?

Do you want a scalable computerized system with plenty of timesaving features that help to get jobs done accurately and quickly?

Do you want professional-looking reports and correspondence?

.....Then look at "I-CAMPUS".

I-CAMPUS (EXAM MODULE) DESCRIPTION:

I-CAMPUS Exam Module is a complete and customized solution for Autonomous colleges to handle all the Examination related work. By going through the flow of application one can easily maintain its student details, Exams details, Exam wise fee details, subject details, Exam scheduling, and OMR Recognisation Details with hand writing also. This software includes the User-friendly menus can easily generate all the reports.

<u>Modules</u>:

As per requirement of Colleges we analyzed that, I-Campus application consists of the following modules.

I-Campus Software has 3 types of stakeholders namely- Admin, Staff and Students. Admin can use all above mentioned module features. Staff and Students can only access the modules which are given by the Admin.

The administrator is the super user of this application. Anyone except admin cannot enter into this page. The admin can allow staff & students and can give privileges that which portion they can access. The administrator will have all the information about all the users and administrator & about the entire information regarding to the application.

Working Procedure of I-Campus:

> This application contains the login form.

This module contains all the information about the authenticated user. User without his username and password can't login, if he is only the authenticated user then he can enter to his login and he can see the all the information related to the application.

After Successful login of users, application's home page will be displayed according to their login rights.

The Student Data sub module provided for the computerization of the student personalized data, In this Form User can also add the photograph of the student into database. The Registration number will generate automatically, according to the given criteria. Student information can find by REGNO and it can be edited.

The Above Sub module provided the Courses, Branch and Papers. Once the user enters the code in any section, Description of that code will be displayed, incase of record existence, The user can modify and delete that record, otherwise user have to enter code, description and press save to add new record, when entering the papers section credits, elective, practical etc. steps should be entered carefully, once the data entered in theory, internal, Practical then total, theory pass total pass will be calculated automatically.

Subject And Semester Grade Master:

and grade points. In Semester module has to enter SGPA range to allot Semester Grade. The above form indicates the Exam Semester Vs Session Allotment.

Exam Date Allotment:

The above form contains the Semester wise subject wise examination date allotment and here user can export data to excel for room seating and any internal usage.

Room Allotment:

The Above Structure defines the forms in Post Exam Module. Marks Entry Internals/Practical: Entry For Internal Entry List Internals/Practical Semesters Papers The Above form contains the registered numbers Vs Internal/Practical marks entry. Bundles Entry: Scripts Entry Scripts Entry List Enter Bundle No. Enter Total Scripts In the above form user has to enter bundle number and total scripts in each, which is used for the bundle checking after scanning the OMR Sheets. 13 **D** BASE SOLUTIONS innovation through ! deas ...

OMR Screen Check:

- In the above form, we recognize not only bubbles we do it for hand written Digits also, so that cross verification between hand written and bubbled can be done there itself.
- We recognize two hand written zones and one bubble zone, if three zones returns same marks, there is no need to verify
- If it fails to recognize same marks from three zones, we provided OMR on screen verification using this user has to enter Marks written/bubbled manually.
- By using OMR onscreen verification there is no need to search and pick physical sheet once scanned.
- By recognizing Hand written zones, there would be a provision to cross verification of recognized data, which can reduce manually verification time, up to the maximum.

The Above Structure defines the forms and reports in Result Module.

Moderation:

In the above forms appears the pending internal, practical and theory marks list of registration numbers and paper code.

Result Process:

- The above form appears the result processing for required month and year (Ex: Nov-2016), which is already created at exam master.
- If there is any moderation we do in this form (for Individual semester's only).
- We can get reports of course and branch wise percentage, subject wise percentage, failure list.
- Student History:

Student Details with Captured Photo

Year and Semester Wise Exam papers List

The above form appears the exam history of the student.
