The Chairman, BoS of Information Technology invited the members of BoS, outlined the agenda to be discussed, introduced about College & Department and presented the progress of the department with regards to faculty, students, and other achievements. The following agenda is placed by the Chairman.

Agenda 1: To discuss and approve the course structure and syllabus for 3rd Year I and II Sem B.Tech. IT, R23 Regulation.

The following are the salient points that are discussed in the meeting:

- Dr. O. Srinivasa Rao and Dr. V. Valli Kumari suggested to include Programming Language Subject in Minors. Suggested to add C++ in place of Operating System proposed in Minors. Also Suggested to combine OS & CN and add it as Minor Subject.
- Mr. Saswat Kumar Dash suggested to add AI related concepts like Advanced Gen AI and LLM models in the course. It was brought to his notice that the same is in the 3rd year 2nd semester professional elective subjects.
- The members have suggested to refer NPTEL/SWAYAM Courses to be offered as part of Honors and Minors Courses for every cycle and prepare a list of recommended courses to the students.
- Prof. Valli Kumari suggested to include Internet, Web Technologies related topics in OS & CN subject.
- Dr. Nagaraju Devarakonda suggested to introduce a mandatory course for placement related training program.
- Arjun Chilukuri suggested to consider AWS certification courses as part of Cloud Computing Lab.
- All the stakeholder's feedback has been considered while designing the course structure and syllabus.
- The proposed Networking and Cyber Security Honors pool is discussed.
- The proposed Minors courses offered by IT to other departments are discussed.

Resolutions:

Under the Minors pool, OS and CN is combined as a single subject and offered in III-II, and in III-I Object Oriented Programming through C++ is offered.

In III-I a Mandatory Course (MC), Employability Skills with L T P C of 3 0 0 0 is added, this is over and above the JNTUK proposed courses.

After incorporating the above changes suggested by the BOS members, the proposed scheme and syllabus for 3rd year B.Tech. (R23 Regulation) Information Technology program including the Minors and Honors courses was approved.

Finally, the meeting concluded with the chairman thanking the members of BoS for their active participation and valuable suggestions in the meeting.
