Convenor's Message

Prof. BH.V.S.R.K.Raju
HOD IT Dept

Dear CSI Members

It is happy to inform you that the CSI SRKR Chapter conducts various technical and non-technical events and has always been in the forefront in improving the knowledge and confidence level of the students to face any challenges in future

I am very much pleased to announce you that the national level technical symposium on trends of information technology ie., 'TECHFLEET' 2K23 has been a grand success. The event is packed with very useful workshop, Hackathon, Paper Presentation, Coding Contest, Quiz Contest, Poster Designing and other events. This TECHFLEET'2K23 is to bring together many students across the state to interact with each other, share knowledge and ideas.

It is a great pleasure this annual news letter with series of milestones that we have crossed this year.

Coordinator's Message

Dear CSI Members,

I feel it as a privilege to work as the student coordinator for the CSI executive body 2022-2023. With great dedication and effort we have tracked many records in this academic year in the technical as well as non-technical areas. Technical events include Hackthon, Student Development Programs, and Weekly Events like Quiz, Software Contests, Coding Contests, Sports and Arts. This student body provides a platform for the students to present their ideas and innovations. This became possible with the immense support from student counselor and team spirit among the executive body members.

Dr. I.Hemalatha, Assoc Prof, IT Dept

Coordinator's Message

DEAR CSI Members,

I am delighted to express my happiness regarding the events carried out by CSI SRKR this year. The thirst of innovations will never end up in this world which provides a highly competitive atmosphere to the students. In order to make the students survive in this global competition, we have conducted various programs to drive the student's intellect towards present trends in the technology. It is my pleasure to be a part of this consortium.

Dr. K.Kishore Raju, Assist Prof, IT Dept

COMPUTER SOCIETY OF INDIA (C.S.I)

"IT for Masses"

The Largest IT Professional Society of India

WELCOME TO THE COMPUTER SOCIETY OF INDIA

The seed for the Computer Society of India (CSI) was first sown in the year 1965 with a handful of IT enthusiasts who were a computer user group and felt the need to organize their activities. They also wanted to share their knowledge and exchange ideas on what they felt were a fast emerging sector. Today the CSI takes pride in being the largest and most professionally managed association of and for IT professionals in India. The purposes of the society are scientific and educational directed towards the advancement of the theory and practice of computer science and IT.

In a span of less than 4 decades, the organization has grown to an enviable size of 30,000 strong members consisting of professionals with varied backgrounds including Software developers, Scientists, Academicians, Project Managers, CIO's, CTO's & IT vendors to just name a few. It has spread its branches all over the country. Currently rooted firmly at 62 different locations, CSI has plans of opening many more chapters & activity centers in smaller towns and cities of the country. The idea is to spread the knowledge and provide opportunities to as many interested as possible.

The activities of chapter / Student branches include lecture meetings, seminars, conferences, training programmes and visits to installations.

The mission of the CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community. The CSI is also working closely with other industry associations, government bodies and academia to ensure that the benefits of IT advancement ultimately percolate down to every single citizen of India. CSI events range from guest lectures to workshops, from conferences to mock tests as well as various competitive events. This all provides students an opportunity to interact with eminent scholars, broaden their knowledge base as well as test their acquired skills. CSI encourages students to put forth their ideas by conducting various activities.

CSI IT AWARDS

CSI has instituted National IT awards to encourage and promote the spread of IT.

- CSI National IT Awards in three separate categories to recognize "Significant Contributions to the promotion of IT applications"
- These Awards are categorized in Best Software, Best Shrink Wrapped Software and Best IT Usage: "Best Quality Project in the country", "Young IT Professional Awards" & "E-Governance" Fellowship Awards: The society instituted in the year 1979, the Fellowship Awards to honor distinguished personalities who have served to society.
- Best Student Branch Award
- Best Student Chapter Award
- Best Chapter News letter Award
- Anita Khanna Memorial Award: (Student standing 1st in Exams)
- Vandana Goyla Award: (Female candidate scoring highest marks in NSE)
- Dr. Virendraa Gupta Memorial Award: (Best Student Page Postgraduate)

Why Be a Member of CSI?

The "Computer Society of India" is a professional body where computer professionals meet to exchange views and information, to learn and share ideas. The wide spectrum of members is committed to the advancement of the theory and practice of Computer Engineering and Technology Systems, Science and Engineering, Information Processing and related Arts and Sciences.

CSI is the oldest and largest organization of IT Professionals in India having 27,000 members and 63 Chapters and more than 200 students Branches across the country exclusively focusing on the interest of the IT Professionals.

Election of Executive Committee 2022-23:

The students of SRKR Engineering College approached the Student Counselor of the CSI Chapter of the college, HOD of IT Department Dr.BHVS Rama Krishnam Raju to form an executive body of the CSI-students chapter. He readily agreed the proposal and advised to conduct elections in order to elect the body. Then the elections took place in the presence and supervision of Dr.BHVS Rama Krishnam Raju.

The executive body of the CSI student's chapter was formed and initially met for discussing the activities to be conducted in this academic year. The executive body also conducted membership drive for the students of all academic years of C.S.E and I.T. A power point presentation was given to all the students of both the departments to focus on the benefits of becoming a member of CSI. Several students newly enrolled as the student members of CSI, after which the organizing of activities of students members started.

EVENT DESCRIPTION

SRKR Engineering College in association with Brain O Vision Solutions organized a National Level 5 day Bootcamp + 24hr Hackathon on Data Science using Python from 6th to 12th February 2023. It is organized by Department of Information Technology with the coordination of CSI Student Chapter. In the first 4 days, the training focussed on several important Data Science Topics. Teams will apply the techniques on datasets that they chose. Trainers looked after all the teams equally and they always helped students in resolving their problems.

On Day 5, There will be a Pre Hackathon where all the teams applied the learnt Data Science Techniques on their datasets and the results were evaluated by the trainers. This Pre Hackathon is designed such that even for the teams who don't want to participate in hackathon, we give them a small-scale hackathon experience. On Day 6 and 7, a 24 hr Hackathon is conducted on Data Science using python where the team needs to frame a dataset based on their problem statement and need to predict the required results.

The accuracy of the results were evaluated and teams were ranked based on their performance in this 7 day long bootcamp+Hackathon. Exciting Cash Prizes were given to the top 3 teams and all the remaining teams got their given participation certificates.

Every Problem Statement given will be taken to finishing stage with assistance. So that your project yields the desired results and that can be added in your resume. It adds much much bigger weight to your resume.

Department of Information Technology, S.R.K.R. Engineering College organized its “National Level Conference on Recent Trends in Big Data and cloud Computing of Information Technology” (TECHFLEET 2K-23) on March 25th

TECHFLEET:

TECHFLEET is the National Level Symposium organized by Department of Information Technology, S.R.K.R. Engineering College to provide platform for students to develop, contribute and present technical papers in technological world. The event helped in bringing together experts from industry and academia to meet, discuss, share views and experiences on various recent technical topics and challenges of today's world.

EVENT POSTER

The poster features a central image of a batsman in a white uniform, captured in a dynamic pose as if hitting a ball. The background is a blurred cricket field under a dramatic, cloudy sky. The text is overlaid on this image. At the top left is the SRKR Engineering College logo. At the top center is the 'TECHFLEET 2k23' logo. At the top right is the CSI logo. The main text 'IPL AUCTION' is written in large, bold, white letters across the middle. Below it, the tagline 'LET THE ACTION AND AUCTION BEGIN' is written in a smaller font. To the right, there is a gold trophy icon with the text 'CASH PRIZE ₹ 2000 /-'. Below the trophy is the CSI logo and the text 'DEPT OF IT SATURDAY, MARCH 25, AT 9 AM'. At the bottom left, the entry fee is listed as 'ENTRY FEE : ₹100/- (FLAT 20% OFF FOR CSI MEMBERS)'. At the bottom right, the coordinators' names and contact numbers are listed. At the bottom left, there are email and social media handles.

Alohomora - Summary Report

The event was about fostering the basic finance knowledge in students. It will help participants in skills such as team building and brainstorming. 10 teams participated in this event. Each team was given a certain number of clues. Each clue was in the form of a riddle that hinted the location. There was a lot of exhilaration as students ran from pillar to post scanning all the possible locations of where the tokens might be placed to pass on to the next round. There was display of tremendous team work and coordination among the group members. The event was concluded with finding the treasure and the team that found the treasure was declared as the winners.
