దేశ ప్రధాని దృష్టిలో ఎస్ఆర్కెఆర్

భీమవరం, ప్రభ న్యూస్ ప్రతినిధి: ఇంజినీరింగ్ కళాశాలల్లో దేశంలోనే 83 వ ర్యాంకు సాధించి, ఏపీ, తెలంగాణాల్లో నెంబర్ వన్ స్థానంలో నిలిచిన భీమవరం ఎస్ఆర్కెఆర్ ఇంజినీరింగ్ కళాశాల యాజమాన్యం అరుదైన అదృష్టంకలిగింది. ప్రధాని నరేంద్ర మోదీ దృష్టిలో ఈ కళాశాల ఉండటంతో స్మార్ట్ ఇండియా హేకథాన్ –2019 కార్య క్రమాన్ని కేంద్ర మానవ వనరులశాఖ, ఏబిసిటిఈలు సంయుక్తంగా మార్చి 2,3 తేదీల్లో ఈ కళాశాలలో నిర్వహిస్తున్నారు.అంతే కాకుండా నోడల్ సెంటర్ గా కూడా కళాశాలను కేంద్ర ప్రభుత్వం ఎంపిక చేసింది. ఈ కార్య క్రమంలో భాగంగా దేశ ప్రధాని నరేంద్ర మోదీ మార్చి 2 వ తేదీ రాత్రి 8 గంటలకు ఢిల్లీ నుండి నేరుగా ఈ కళాశాలకు హాజరైన పలు రా ష్ట్రాల విద్యార్ధులతో మాట్లాడబోతున్నారు. ఇందుకు సంబంధించి కళాశాల యాజమాన్యం సాగి ప్రసాద్ రాజు,సాగి విఠల్ రంగరాజు ఆధ్వర్యంలో ప్రిన్సిపాల్ డా॥ జి పార్ధ సారధి వర్మ ఏ ర్పాట్లను పూర్తిచేశారు.కాగా ఇటీవల అమెరికా యూనివర్శిటీతో కూడా ఎంఓయు కుదుర్చుకుని తమ కళాశాలలోని విద్యార్థులకు అమెరికా అందబా టులోకి తెచ్చారు.అలాగే అమెరికాలో విద్యపై అవగాహన సెంటర్ ను కూడా ఏర్పాటుచేశారు. నేడు ఎస్ఆర్కెఆర్ ఇంజినీరింగ్ కళాశాల అంటే రెండు రా ష్ట్రాల్లోనే కాకుండా దేశంలోని అన్ని రాష్ట్రాలకు మోడల్ తెలుగు రాష్ట్రాల కళాశాలలో అత్యాధునిక విద్యా సామాగ్రితో పాటు క్వాలిఫైడ్ ప్రొఫెసర్లు, క్రమ శిక్షణ, కళాశాలలో చదివిన విద్యార్థులకు ఉద్యోగ అవకాశాలు కల్పించడం లాంటి అంశాలున్నాయి. విద్యా రం గంలో ఎంతో ప్రతిభను సాధించడం వెనుక ఈ కళాశాల ప్రిన్సిపాల్ డా॥ జి పార్ధ సారధి వర్మ కృషి ఎంతో ఉందని అంటారికీ తెలిసింది. నేడు ఈ కళాశాల అంతర్జాతీయ స్థాయికి ఎదిగే విధంగా పార్ధసారధి వర్మ ఇతర రా ష్ట్రాలతో, ఇతర దేశాలతో విద్యా పరంగా అనేక ఎంఓయులు కుదుర్చుకుంటున్నారు. అయితే కళాశాల యాజమాన్యం కూడా ఈయనపై దృఢమైన విశ్వాసం కలిగి ఉండటంతో ఈయన విద్యా పరంగా కళాశాలను మరింతగా ముందుకు తీసుకు వెళ్తున్నారు. ఇదిలా

ఉంటే కళాశాలలో చదివే విద్యార్థులు క్రమశిక్షణతో మెలిగేలా వర్మలు చేయసుంటున్న ప్రిన్సిపాల్ డా॥ జి పార్ధసారధి వర్మ వ్యక్తిగత జీవితంలో ప్రము ఖ ఆధ్యాత్మికత భావాలు కలిగిన వ్యక్తి అంటే ప్రతి ఒక్కరూ ఆశ్చర్య పో పరిస్థితి ఉంటుందనడంలో ఎటువంటి సందేహం లేదు. కళా శాలలో ప్రిన్సిపాల్ గా అడుగుపెట్టిన సమయం నుండి సాయంత్రం విధులను ముగించుకుని ఇంటికి బయలుదేరే వరకూ కళాశాలలోని వేలాదిమంది విద్యార్థులకు గైడ్ ఫాదర్ మాదిరిగా వ్యవహరిస్తా రు, కాగా ఇంటికి వెళ్లిన తర్వాత కాను ఓ పెద్ద ఇంజినీరింగ్ కళా లకు ప్రిన్సిపాల్ నేనే గర్వం ఆయనకు ఏ మాత్ర లేకుండా స్కూటర్ ఎక్కి తన మిత్రుల వద్దకు వెళ్ళి సరదాగా కొంతసేపు గడిపి వస్తారు. అదే మాదిరిగా ఉదయం లేచిన దగ్గరనుండి వ్యక్తి గత జీవితాన్ని ఆధ్యాత్మికతతో మార్చుకున్న వ్యక్తి కళాశాలకు వచ్చేటప్పటికీ కళాశాల అభి వృద్ధికి ప్రిన్సిపాల్ మాదిరిగానే నిర్ణయాలు చేస్తారు. ఇదిలా ఉంటే విద్యార్థులకు క్రమశిక్షణ ఎంత అవసరమో, వారి భవిష్యత్తు బంగారు బాటగా తయారు కావ డానికి ఆధ్యాత్మికత కూడా అంతేనని నమ్మే డా జి పార్ధసారధి వర్మ కళాశాలకు యోగా లాంటి శిక్షణను ఇస్తున్నారు. దారి తప్పుతున్న విద్యార్థులకు కౌన్సిలింగ్ ఇచ్చి ప్ర క్రియను కూడా ఆయన నిర్వహిస్తున్నారు. ఈ నేపథ్యంలో ఆంధ్ర ప్రభ ఆయనను పలకరించగా విధి నిర్వహణలో ఎంత సంతోషంగా ఉన్న హా ద్యాయను నిర్వహించాను, ఆధ్యాత్మికతలో ఉన్న మనసు ప్రశాంతత ఇంకెక్కడా ఉం డదన్నారు.కళాశాల యాజమాన్యం అందిస్తున్న సహకారంతో తమ కళాశాలను రాన్నున్న రోజుల్లో మరింత ముందుకు తీసుకువెళ్తామని అన్నారు. ప్రధాని నరేంద్ర మోదీ దృష్టిలో తమ కళాశాల ఉన్నందుకు తాము ఎంతో సంతోషిస్తున్నామని తెలిపారు.

రేపటి నుంచి జాతీయస్థాయి డిజైన్ పోటీలు

Smart India Hackathon at SRKR

SRKR Engineering College secretary and correspondent Sagi Vithal Rangaraju and others releasing a poster on the programme

HANS NEWS SERVICE

Bhimavaram: The Smart India Hackathon-2019 programme would be held at SRKR Engineering College here on March 2 and 3, according to the college principal Dr G Pardhasaradhi Varma on Thursday.

A poster was released on the occasion by the college secretary and correspondent Sagi Vithal Rangaraju.

Speaking on the occasion, the college Technology Centre head Dr N Gopalkrishna Murthy said the programme would be organised jointly by the Human Resources Miniseries and AICTE. As part of the programme, a group of engineering students would develop a project successfully within 36 hours.

Murthy said that Prime Minister Narendra Modi will address about the programme at 8 pm on March 2 live from the PMO and may interact with the students also. He said the Smart India Hackathon programme was the brainchild of Narendra Modi, inaugurated in 2016.

The principal said that in this programme, some industrial experts will attend and give prize money of Rs 6 lakh for the best project. He said India's Smart India Hackathon programme is popular worldwide. He said that the PM personally initiated the programme. Students from eight States would be participated in the programme, he added.

SMART India Hackathon participants at SRKR Engineering College took part in 36-hour long design contest on Saturday. AP Innovative Society CEO RS Winnypatro, who was attending as a guest on the occasion, said the time has come when innovation should be made focusing on the needs of rural India, which constitutes 70 per cent of the population. 24 teams from Delhi, UP, MP, Bihar, West Bengal, Pondicherry, Chennai and Karnataka took part.

SMART INDIA HACKATHON-2019

'Young engineers should focus on developing new inventions'

HANS NEWS SERVICE

Bhimavaram: Young engineers should focus on research and invent new things benefitting the rural people, said Dr M Ramalinga Raju, Vice-Chancellor, JNTU-Kakinada while inaugurating the national-level design competitions in 36 hours, as part of Smart India Hackathon-2019 at SRKR Engineering College in Bhimavaram on Saturday.

The VC said that 70 per cent of people were living in rural areas and so far, the new inventions were benefitted only the 30 per cent of people living the country. He hoped that Smart India Hackathon-2019 jointly organised by AICTE and Union Human Resources department would help young engineers to make India number one in the world with their talent.

He said the research should concentrate on rural agriculture, aqua sector, pollution control and other allied fields. "Young engineers should prove that Make in India and Technology India is possible with their new inventions," he added.

200 engineers exhibit start-ups designs

DC CORRESPONDENT
UNDI, BHIMAVARAM (WEST GODAVARI), MARCH 3

Students of the Maharashtra Institute of Technology, Pune, won several awards for their design projects during the Smart India Hackathon-2019, a 36-hour competition at SRKR Engineering College, Bhimavaram.

About 200 students participated from New Delhi, Panjab, Uttar Pradesh, Madhya Pradesh, Maharashtra, West Bengal, Karnataka, Tamil Nadu and Puducherry among other states. The students worked on industry-oriented concepts which attracted the attention of visitors and industrialists in particular.

The MIT-Pune students exhibited a robot for maintenance of warehouses. A third-year IT student on the team, Mr Ameya, said warehousing godowns can be kept clean and free of pests by the use of robotics.

Students of Jaya Engineering College of Chennai developed an app to draw signs on cardboard. A Delhi University team, led by Navanith Sajju, designed a project to identify problems with automobile parts.

Students of the Sagar Institute of Technology of Madhya Pradesh designed a project using the Internet of Things. A team from Krishna College of Coimbatore developed an app for customers to check the quality of products. Saint Joseph Institute of Technology, Chennai, students exhibited a project for zero-defect manufacturing.

JNTUK Vice-Chancellor M. Ramalinga Raju said the Centre was encouraging students to showcase their hidden talents through hackthon and similar programmes. He said students should make use of the programmes and prove their talent with innovative designs and ideas.

AP Innovation Society Chief Executive Officer R.S. Winny Patro said the engineering students could take up challenges in the fields of agriculture, aquaculture and environmental research which are needed for rural uplift.

Avail Smart India Hackathon platform, students told

SKF company representatives presenting a cheque for Rs 1 lakh to the winning team

Bhimavaram: Smart India Hackathon will provide a chance to engineering students to prove their mettle in world technology revolution, opined Adikavi Nannaya University rector Dr Suresh Verma.

He participated as chief guest at Smart India Hackathon national event organised by the SRKR Engineering College here on Monday.

Speaking on the occasion, he said that the students should make use of the opportunity provided by Prime Minister Narendra Modi by proving their talent at national-level.

Students from Dr Vishwanath Karad MIT World Peace University from Pune stood first in the competition. The Wonderland Company awarded the Ameya team from Pune with a cash prize of Rs one lakh. The SKF Company presented Rs 75,000 prize to the Dheeraj Kumar team from the same college. Harish team from the Sri Krishna College of Engineering and Technology, Coimbatore was awarded Rs one lakh prize by the SKF Company.

SMART INDIA HACKATHON 2019 ORGANISED AT SRKR

SRKR Engineering College, Bhimavaram, Andhra Pradesh, conducted Smart India Hackathon 2019 on a large scale. Several eminent dignitaries were present during the competition to appreciate students and give away prizes

The biggest technological innovation event, Smart India Hackathon 2019, is doing wonders for the student community. AICTE, MHRD, along with others, organised this event in 42 nodal centres across the country. The 36-hour long, new design development competition was held at SRKR Engineering College recently.

Eminent people from the industry were present and they selected six innovative projects and awarded cash prizes to them. Students from Pune-based Dr Vishwanath Karad, MIT World Peace University, along with their team leader Ameya, won ₹1 lakh form Vanderlande. These students used Artificial Intelligence in their project. From Tamil Nadu, Sri Krishna College of Engineering and Technology won a cash prize of ₹1 lakh from SKF Industries. From MIT Nagpur, Dheeraj Kumar's team won a cash prize of ₹75,000 from SKF Industries.

From Delhi Technological University, Navaneet Sagar's team received ₹75,000 from SKF Industries. The same industry gave the Best Project prize and ₹75,000 to Chennai's St Joseph's College of Engineering. R Shanmugam and team won this prize. Nagpur-based Shri Ramdeobaba College of Engineering and Management won ₹75,000 and received it from Plezmo.

For the valedictory function, Dr Suresh Varma from Adikavi Nannaya University was invited to be the chief guest. He gave away prizes and mementoes to the winning teams and a memento to participating teams. On this occasion, he said that it was Prime Minister Narendra Modi who introduced this event. He also appreciated SRKR Engineering College for organising the national event.

In the programme, MHRD Startup Fellow Pankaj Pandey, Dr Uddipan Sharma from AICTE, Vanderlande's MD Sipko Mous, SKF India representative Datta Kamble, SRKR Engineering College Principal Dr G Pardhasaradhi Varma, college Secretary and Correspondent Sagi Vithal Ranga Raju, Technology Centre Head Dr N Gopalakrishna Murthy and Professor Dr Bh VSK Ramakrishnam Raju from the IT department, among others, were present.

AICTE_MHRD Smart India Hackathon - 2019
Grand Finale
2nd & 3rd March,2019

Jury Members Evaluation Process & List

All India Council for Technical Education (AICTE), Ministry of Human Resource Development, Govt. of India are jointly holding a competition "Smart India Hackthon-2019" for the students of AICTE approved Technical institutions.

The Smart India Hackathon is aimed for motivating young individuals, inspiring leaders and institutions / organizations to raise their performance in their specific domains leading to significant contribution towards the growth and development of the nation.

To recognize and honor innovative work of the students displaying exceptional skills by providing the innovative solution on the given problem statements.

Guidelines for scoring in Smart India Hackathon 2019 Judging Sheet

1. Solution Approach to the Problem	Marks
The solution does not address the requirementsfor the given Ministry's problem. The solution only solves a generic technical / IT problem	1 to 3
The solution partly addresses thegiven Ministry's problem. The chosen approach is basic with many known available solutions.	4 to 6
The solutionprovides a unique approach to the Ministry's problem, but it maynot be extendable into a platform for largerimpact.The team hasfocused entirely on solving the specified problem in hand.	7,8
The solution completely drives new business model/social engagement using software/technology driven methodology for the specific domain (e.g. what Uber/Paytm did in their domain). The solutionhas the capability to extend into a platform for larger Impact. The team has thought through the problem to the end and considered all aspects pertaining to the solution.	9,10
2. Ambitiousness/Complexity/Impact Factor	Marks
Simple problem statement requiring very little technical input (eg building an App with very little server side components OR building a simple Web page/Website).	1 to 3
Medium Ambitious problem, requires a reasonable effort on both client side and server side. For the Ministry, the problem is real and they welcome the solution, but it is not an immediate/Top priority to address.	4 to 6
Fairly Complex problem – requires significant effort on client and server sides. Team has demonstrated their Ambitiousness by selecting to work on the problem. The team has implemented a small subset of the problem and hence its impact to the Ministry is minimal. Significant additional effort is needed to	7,8

implement the solution for the Ministry.	
Fairly Complex problem and team has implemented a significant subset of the problem. Problem is very important to the Ministry and the Ministry can Implement the Solution with minimal additional efforts.	9,10

3. Technology and Innovations Attributes	Marks
Not an innovative solution, it is regular web portal or desktop app.	1 to 3
Solution is innovative and uses concepts like mobile first/cloud first and API level integrations.	4 to 6
Solution has been innovatively designed using latest technologies e.g. India-stack, block-chain, machine learning, data insights, human machine interface etc.	7,8
Solution is well thought out and is something extremely unique. It has very innovative approach - effective use of multiple latest technologies (e.g. listed above).	9,10

4. Execution Attributes	Marks
No working demo Few screens but not integrated	1 to 3
Partial working demo to be able to showcase solution to the problem. Integration of code/development was there but not end to end. Demoed multiple parts separately.	4 to 6
Usable and working demohowever it was small and felt some development missing. Some of NFRs (Security, Performance) are also considered while implementation	7,8
Completely working prototype of demo which can be repetitively executed (significant amount of coding or development might have gone in place). Most of NFRs (Security, Performance) considered while implementation	9,10

5. User Experience Attributes	Marks
Not Useful – Personas(*), journey map not defined Not Usable - Confusing navigation, too many clicks, poor execution of UI Not Desirable - Negative first impression, will not motivate personas / users * Personas - Personas are fictional characters created to represent the different user types that might use a site, brand, or product in a similar way.	1 to 3
Partly Useful - Personas identified but not clearly detailed out Partly Usable - Confusing navigation, too many clicks, average execution of UI Partly Desirable - Average first impression, just another app for personas / users	4 to 6
Useful - Detailed Personas (one or many), detailed journey maps Usable - Easy to navigate, simple layouts, followed UI patterns, efficient for users Desirable - Positive first impression, will motivate personas / users	7,8
Extremely Useful - Well detailed Personas (one or many), detailed journey maps Extremely Usable - Super easy to navigation, followed UI patterns, efficient for users Extremely Desirable - Very positive first impression, will certainly motivate personas / users	9,10

I've been to more hackathons and to be true, you guys rocked it with your hospitality. You guys cared for what the participants and mentors would need, actually more than what was expected. With such good coordination and transport facilities, the teams would have got a boost to participate in the hackathon with great energy and spirit.

Wish all the volunteers, organizers and the management to rock more events and keep doing the good work for the community.

It's my first hackathon. My greatest memories were made here. Really enjoyed the dance. It's my first dance in my life. Never gonna forget that.

And I've to mention about the volunteers. Man!!! I never saw any of those persons taking rest. Without hesitation they've helped us, guided us to every place in that clg. Great saluto to the volunteers.
Miss u SRKR guys.

All the arrangements like travel, stay, food, spoc for each table etc was flawless and well organised. All the team members liked the food. The arrangement for Stay was very well organised. The rooms alloted were very clean and tidy. The professors and especially the student coordinators were very polite and helpful. Their efforts meant a lot for us.

Massive thanks and respect from our team

To be honest our team was very sceptical when the nodal centres were announced as we hadn't been to Bhimavaram before. But we had a superb time here at the centre in the last 3 days.
The hospitality was top notch and each volunteer was simply superb, providing us with the necessary help at the time of need.
Today we felt difficult leaving the place as we had made new friends in the past couple of days. We look forward to returning back very soon.

A heartfelt thanks from our team!
Regards
Team HACODERS, Chennai.

Dear Team leaders, Team members & Mentors,

Your feedbacks gives us more strength to do more & more activities well in future. This is the first time we organized world's biggest hackathon in 38 years of SRKR Engineering College history.

We felt so happy about all teams for your three days of stay and your participation in SIH-2019. I always believe and say that our strength is our team. Our students captured and learned so many things from you and 36 hours of process. Our management and Principal are very supportive. Because of them only we executed SIH Grand Finale as successful one.

When we got the confirmation of Nodal Centre from AICTE/MHRD , we afraid about short listed teams coming from different states especially teams from capital & metropolitan cities to provide logistics and other facilities because of our location Bhimavaram belongs to rural area. Now we our minds are changed and cleared through your affectionate feedbacks. Really we experienced nice moments with you all and keeping the memories for ever.

You agree or not , I feel Smart India Hackathon is not only for Technology competition, it is also for exchange of younger students from one end of the country to the other side of the country that leads to exchange of younger minds information, knowledge sharing, understanding new places & new culture, new relationships and finding new problems.

I congratulate all 6 winning teams and 18 best performed teams for their tremendous skills presentation and confidence levels.
Our students, volunteers & spocs learned so many things from you.
I shared here what is there in my mind about my experience with you all during your 3 days of stay at our campus . We have experienced Memorable event with people from different places.

We request you all to intimate us your safe arrival of your native places through this group .

Thank you all .

With best wishes & regards,

Dr.N.Gopala Krishna Murthy

About The Institution:

S.R.K.R.Engineering College was established under the aegis of Vasista Educational Society with the aim of imparting quality education in Science & Technology to the aspiring students. The college is situated in a 30 acre lush green campus located in ChinaAmiram, Near Bhimavaram, WG Dist., and Andhra Pradesh.

Technocrats with varied Industrial and Consultancy Experience established the college in the year 1980. S.R.K.R. Engineering College is recognized as one of the leading institutes in the State of Andhra Pradesh, India. The institute has been committed to the noble task of providing quality education, which will transform the students into talented technocrats. The Institution is permanently affiliated to JNTUK, Kakinada and is Accredited by NAAC with "A" grade and recognized by UGC under sections 2(f) and 12(b) of UGC Act 1956. The college is accredited by National Board of Accreditation (NBA), New Delhi. With a view to enhancing the research culture the faculty members are actively engaged in research work and published their findings regularly in standard National & International Journals.

About The Department:

The department offers UG & PG programs in Information Technology. The department has qualified, dedicated, experienced and trained faculty with deep sense of commitment towards the students and institution. Teaching faculty with proficiency in various subjects motivates students to participate in research activities and skill development programs. The department has state of the art laboratories with well-equipped software for both UG and PG programs.

About The FDP

The recent years have witnessed SRKREC taking giant leaps of Progress in transforming the engineering college into a research & technological institute through foreign universities MOUs. Recent government body recognitions & rankings, foreign research collaborations, research project grants and more with an aim to promote research among all the faculty of SRKREC and to complete their PhDs by 2022, our management is providing all necessary facilities to pursue research in interested fields of all disciplines. The need of the hour is to develop a strong base of research and to direct the staff towards quality research.

The proposed workshop is an effort to give direction to all the young faculty of SRKREC to pursue quality research and to encourage them to publish their research in quality journals rather than mere publishing of a lot of papers in mediocre journals. The workshop will enable the participants to learn the research methodology and to understand the best practices of academic research to be followed for sound research out.

Outcome of the FDP

Betterment in level of confidence research teaching exposure gain of knowledge in other streams related to engineering trained faculty as the knowledge is not boundaries and they can guide projects on new technologies develop new products research and innovative ideas which benefits the students and also improves the academic performance institute can be benefitted by the knowledge gain of faculty members which indeed improves the academic results of students and placements startups in the surrounding areas can be improved which indeed achieves employability.

Eligibility

Participant must be a member of ISTE and should be from AICTE approved technical institutions.

NTRODUCTION

Sagi Rama Krishnam Raju Engineering College (A)…

Sagi Rama Krishnam Raju Engineering College (A), is one of the oldest engineering colleges formed in 1980's to provide a quality technical education to students. The college is an autonomous institution (UGC approved) and permanently affiliated to Jawaharlal Nehru Technological University Kakinada (JNTUK). SRKREC secured 81st rank in NIRF-2017 and 73rd rank in NIRF- 2016 by ministry of Human Resource Development, Govt. of India

Civil Engineering is one of the premium branches of SRKREC since its inception. The sustained growth with constant academic brilliance achieved by Civil Engineering department is due to an academically distinctive and experienced faculty, disciplined students and supporting staff. It is well known all over the state for its state of the art Laboratories. The department was accredited for 5 years by NBA twice.

ABOUT THE SEMINAR…. .

The objective of this course is to provide opportunities for different delegates to enrich their existing ideas and application experiences face to face, to establish business or research relations and to find partners for future collaborations. The intellectual property system helps strike a balance between the interests of innovators and the pblic interest. providing an environment in which creativity and invention can flourish, for the benefit of all. Patents provide incentives to individuals by recognizing their creativity and offering the possibility of material reward for their marketable inventions.

To
The Director/ Principal
All AICTE Approved Institutions

Dear Sir/Madam

All India Council for Technical Education, as a part of its mission to uplift quality of Technical Education has initiated various activities aiming the students and faculty members from its approved institutions. A much acclaimed initiative that received much appreciation worldwide is the **Smart India Hackathon (SIH)**, a unique Open Innovation Model for identifying new and disruptive technology innovations to solve the challenges faced in our country. It's a non-stop product development competition, where problem statements are posed to technology students for innovative solutions.

After two marvelous editions , **Smart India Hackathon, 2019** has reached newer heights by 'inviting problem statements from private sector organizations' challenging our students to offer high-calls yet cost-effective innovative solutions. Around 500 problem statements have already been published on sih.gov.in for students to submit their ideas. **The final date for submission of idea is 20th Jan 2019.** SIH 2019 gives a chance for students to solve problems of Central/State Ministries & Top MNC's and win exciting cash prizes along with an opportunity to get mentorship from acclaimed leaders.

AICTE &MHRD Innovation Cell is proposing to conduct a workshop to sensitize the students on this prestigious initiative which is scheduled on **10rd January 2019 at SRKR College of Engineering, Bhimavaram, West Godavari District, Andhra Pradesh**. You are hereby requested to nominate 5 students from your institute to participate in the same. The workshop commences at 10:00am. Arrangements for stay and refreshments shall be arranged for those who require the same. The candidates could contact Dr. N. Gopala Krishna Murthy, Mob No: 9848427327 for the local assistance.
